ABC charities help eradicate rural poverty, provide lifesaving food to the hungry, rehabilitation for land mine survivors and last wishes for the terminally ill. They provide adoption services, victim support, emergency medical transportation, help prevent clergy sexual abuse, and support the UN.

Working to share the American way.

**EarthShare Illinois** is an alliance of leading nonprofit environmental and conservation charities, working to protect your health and all aspects of our environment - air, land, natural resources, water and wildlife, both locally and globally.

One environment, one simple way to care for it.

**Global Impact** represents more than 100 of the most respected and effective international relief and development organizations. Global Impact charities meet real needs with real results by supporting programs focused on clean water, disaster relief and resiliency, economic development, education, global health and child survival, human trafficking, hunger, malaria, and women and girls.

**Special Olympics Illinois** is part of a global organization that unleashes the human spirit through the transformative power and joy of sport, every day around the world.

The program provides year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities.

**UNCF**’s mission is to build a robust and nationally-recognized pipeline of under-represented students who, because of UNCF support, become highly-qualified college graduates and to ensure that our network of member institutions is a respected model of best practice in moving students to and through college.

United Way is a community solutions leader that advances the common good by bringing together resources—expertise, funding and volunteers—in the areas of education, income, health and basic needs in the neighborhoods that need them most. Through proven strategies and quality programs, United Way measurably improves lives for individuals, families and the region.
